

Congressman Bright Announces District Work Schedule

Montgomery, Alabama - Congressman Bright will be in the district working during the Congressional April District Work Period. Congressman Bright will hold numerous opportunities for constituents to meet and talk with him. He will be hosting several "Congress on Your Corner" events throughout the district. The Congressman holds these events in order to be accessible to his constituents and he invites the public to attend and talk to him and caseworkers.

The Congressman will also be visiting several businesses and industries to discuss the current economy and his support of small businesses. He will also address several Chambers of Commerce and Rotary Clubs and attend festivals and events throughout the district. He will also be in the district the following week as well. Congressman Bright invites constituents meet him and he will address their concerns.

Congressman Bright's district schedule is below. All times are approximate and all times are central. For more information, please call Congressman Bright's district office at 334-277-9113 or Washington office at 202-225-2901.
